

Supply List for Tina Curran's "Constellation" quilt workshop

Note: this pattern can be used to make two different sizes of this quilt:

- a larger quilt top (with three rings of stars) that finishes at 55" x 63", or
- a smaller quilt top (with two rings of stars) that finishes at 39" x 47"

The supplies detailed below are for the larger size. As the smaller quilt finishes at roughly half the area of the larger, I'd reduce the measurements provided for the supplies below by half to make the smaller quilt.

Supplies

- 4-3/8 yards of background fabric
- 2 yards of fabric for the 96 stars
- 3-1/4 yards of backing fabric
- 1/2 yard of fabric for the binding
- Piecing and quilting thread
- Iron and ironing board or pad
- Batting
- Rotary cutter, ruler & mat
- Tweezers (optional, to help remove paper)
